Recommended Settings for CS500 Series Headset

Introduction:

Below are the recommended settings for a Plantronics CS500 series headset connected to a Panasonic digital or IP extension. If you are having problems with setup, please contact Sedcom Communications on 02 6283 1444.

Settings:

- 10 (Speaker)** – Set to No.2
- 11 (Microphone)** – Set to No. 3
- 12 (Switch)** – Set to A
